My favorite place to go in my free time is the local park. It is located just a 10-minute walk away from my house. At the park, I can enjoy various activities such as jogging, cycling, and playing football with my friends. I particularly like it because of the marvelous atmosphere and lush greenery. Being surrounded by nature makes me feel calm and relaxed. It also offers a break from the hustle and bustle of city life. I find spending time at the park refreshing and joyful.
